Specifications

- Body is made of 18 gauge stainless steel. Top is made of 16 gauge stainless steel.
- Single door design with full length stainless steel hinge and heavy duty stainless steel gravity latch.
- Doors open a full 270 degrees and lay neatly against side of cart. Doors are made of .090 aluminum.
- Contour .063 aluminum seamless tray slides are easily removable for better cleaning. Side loaded two trays per ledge.
- Base is made from 14 gauge stainless steel.
- Vertical cart body flanges serve as push handles on both ends of cart.
- Cart has 6" diameter cushion casters with zerk fittings (two swivel with brakes and two rigid).
- Full perimeter bumper is attached to cart base assembly.
- Please contact Karen Thompson at 615-217-4040 with inquiries for custom tray sizes, capacities, and ledge spacing.
