

Storage Cabinets

Specifications

- Body, top, bottom and doors are made from 18 gauge stainless steel.
- Optional sloping top addition is made from 20 gauge stainless steel.
- Cabinet has five 1/4" thick clear tempered glass shelves with polished edges. S/S shelves are optional.
- Double pan door has 1/4" thick clear tempered glass that is sealed with weather stripping that holds glass in place securely.
- Doors have a 3-point locking latch system.
- Unit comes standard with 4" casters, two with brakes. Legs are optional.
- Counter-balance in back helps stabilize unit when doors are open.
